Font License - Standard

Commercial Use License. This is a digital product. This license grants you and /or the company you represent full commercial use license for 1 font created by Darrell Flood.

Further Details
- This font can be used in all / any media (example: print / toys / broadcast / web / stream / digital etc.)
- This font can be modified for use in any way the company sees fit
- The font can be installed / used an unlimited number of times on an unlimited number of devices by up to **10 people** in the company

Seller's Terms and Conditions
License:
* Permits up to $1 million annual turnover
* Applies worldwide, in perpetuity
* Is non-exclusive
* Covers use in all media
* Permits embedding where required (in apps / sites) - with the exception of cases where such apps / sites allow users to create and sell their own creations - please buy the “Extended License” for such use.
* Reformatting of the font files into other font files for resale is not permitted (example conversion to and reselling as .woff files is not permitted)
* Redistribution of the original font files - the .ttf and .otf files - (with the exception of embedding) is not permitted (redistribution inside the company and between company employees is permitted)

Please download your font from my full catalog here - https://www.dafont.com/darrell-flood.d4895
